DETAILED ACTION

This application filed 06/03/2006 is a 371 of PCT/KR04/03435 12/24/2004

Claims 1-10 were pending.

This office action is in response to communications filed 12/10/2007 and 12/18/2007.

Election/Restrictions

During a telephone conversation with Hyun Soon Cho 212-661-8000 on 11.30.2007 a provisional Election/restriction was made and the applicant without traverse to prosecute the invention of Group I compound claims 1-2. Affirmation of this election was made by applicant in replying to this Office action filed 12/10/2007.

Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a request under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(i).

Election/Restriction is withdrawn.

Subsequent to the rejoinder of Group II (process of preparation of compounds) and Group III (composition claims), amended claim list was filed 12/18/2007.

Claims 1-7 are allowed.

The following is an examiner's statement of reasons for allowance: Claims are drawn to furanocarbonylguanidine derivatives and the composition containing these compounds. The compounds are free of prior art. The closest prior art is found in WO 99/33460, pages 96-100, Examples 284-315. These examples are drawn to 3,4-disubstituted pyrrolidines in the place of the 3,4-disubstituted furans of the instant claims. There is no suggestion or motivation in the prior art for such a modification which

positions the pharmacophoric groups of the instant compounds in stereochemical arrangement unattainable with the compounds of the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
